

NOA Twin Riser

The NOA Twin Riser Bed incorporates an extra wide sleep surface for a new level of resident comfort and relaxation that makes them feel like they're back in their own bed. No more tossing and turning in standard size long-term care beds.

Wide Sleep Deck

All NOA Twin Riser beds come with an extra-wide 39" sleep surface

Touch a Button

And watch the wide NOA Twin Riser gently rise from 7.5" to 28" for resident safety and caretaker convenience.

Touch Another Button

And watch as the Twin Riser adjusts the head and leg sections of the bed to fit your residents needs, and/or easily adjusts to a comfort chair position.

Guarantee a Good Nights Sleep

With 39" of sleep space your residents will have more freedom to move and turn in bed.
